MARCH 18, 2027
9-11AM

NPSB MEDIA CENTER
301 ROYAL STREET
NATCHITOCHES, LA 71457

WHAT IS CHILD FIND?

Natchitoches Parish Schools offer free screening clinics as part of Child Find initiatives for children ages 2.5 - 4 years old. The screening is an opportunity to identify, locate and evaluate children who may have a disability and to address potential concerns.

Diagnostic screenings are administered by members of the pupil appraisal team which may consist of an educational diagnostician, speech-language pathologist, occupational therapist, school psychologist, social worker and nurse as needed.
